Councillor Green advised that he had received a lengthy email in response to the cycle

Phil Hamerton of OCHDA advised that he could answer that question. Councillor Green commented that this was question time for the Committee or officers. Councillor Vennard stated that it would be helpful to him if Mr Hamerton could be given the opportunity to respond, which the Chair agreed to allow. Mr Hamerton advised that under Section 42 of the 1964 Harbour Act each municipal port requires every single income and expenditure to be published on an annual basis.

Mr Graham then questioned why the Council felt this did not apply to them?

Councillor Green advised that this could be interpreted differently and confirmed that the Harbour Board would receive its own legal advice.
