

**3.2** The local model for community justice should deliver an extensive change programme centred on increasing prevention of offending/reoffending through

## 6.0 Implications

Strategic Implications	The diverse and cross-cutting nature of community justice requires significant multi-agency collaboration locally and nationally. Community Justice Scotland provides representation on the CJ Partnership to support the local considerations.
Consultations, Previous considerations	In producing the annual report, consultation took place with Community Justice Partnership members
Resources	Argyll & Bute are moving from a part-time Community Justice Coordinator post to full-time during 2022.
Prevention	Community justice legislation and statutory duties apply to those 16 years plus. Prevention at every po 3054.ros
