9. COMMUNITY FOCUS

(a) Luing Community Trust

Colin Buchanan from Isle of Luing Community Trust gave a short presentation on the exciting work that the Trust is carrying out on Luing, specifically the development of a small scale slate enterprise to regenerate the economy on the island. Colin advised that the Trust have the mineral rights to the slate with the income generated being used to support housing, employment and climate change related projects.

The Trust has been working with Historic Scotland and Historic Environment Scotland with extensive consultations undertaken. A feasibility study suggested that the project will support 5 full time jobs and the extraction of 200 tonnes of slate per year.
